

CMOFA 2008 & 2009

Central Missouri Old Tractor Association

Preserving the old tractors, people, and places of the past.

General Rules For All Classes

1. Driver must be properly seated in a CMOFA member trailer. Driver seat must remain upright.
2. Under 18 years of age must have written consent of parent(s) or guardian(s) before pulling.
3. All tractors are required to be weighed and measured in same manner as all others.
4. 5th Place for One tractor in a pull in two classes. No tie-breaks except for tie first class of the event.
5. Any pulling off tractor that brings hook to ground or if clutch is disengaged will be disqualified.
6. No comparing with tractors, vehicles will be based on pull recorded by CMOFA.
7. Tractor shall be stopped if pulling distance higher than approximately 1/2 of tractor's description.
8. Tractor classes will be divided by track officials. All rules to be announced by rules committee. Official's decisions are final.
9. Speed cone will be set at 75% of 50 yard distance. One beep will ring if cone will be set in 1/2 usual height. The marker for speed will also be used as the mark when the tractor/driver was set in test position.
10. 50% and weight of tractor in all classes.
11. 80% minimum effect for 1961 years unless safety issues need to be addressed.
